

Dear Deborah,

We would like to extend our appreciation for the partnership you have developed with our team and the valuable benefit Money Management Educators has provided to Nanometrics, Inc.

Since 2011, we have held quarterly onsite seminars that have covered several personal financial topics such as Money Myths, Tax favored investing, Wills, Trusts & Estate Planning among others. Many of our employees have taken advantage of the complimentary one-on-one consultations offered by your organization and we have had very positive feedback.

Thank you for the valuable and continued contribution to our employees' financial education and awareness.

Sincerely,
